Mr. Marvin Watson  
Special Assistant to the President  
The White House

Attention: Mrs. Mildred Stegall

Dear Mr. Watson:

The Atomic Energy Commission has been requested by the U. S. Department of State, to grant an AEC security clearance to Mr. Jack Hood Vaughn, recently appointed Assistant Secretary of State for Inter-American Affairs, who will require access to Restricted Data in the performance of official duties.

We have been informed that Mr. Vaughn was the subject of an investigation by the Federal Bureau of Investigation for the White House. It will assist us in processing the Department of State's request if you would authorize the FBI to release a copy of that report to this Commission.

Sincerely yours,

Earl F. Lane  
Assistant Director for Administration  
Division of Security
